

## **On The Road To Emmaus**

This road of life seems to be filled with potholes, rocks in the path and sharp unexpected turns. It does not help that we are often unfocused on our Lord and that we are forgetful. The end result is that we do not walk in constant communication and prayer with our Lord.

As I was reflecting on this state of life and our Christian walk, a verse was brought to mind: *"The LORD is my shepherd; I shall not want...."* Psalm 23.1. This verse reminded me that He is my King who rules my life and heart with His righteousness. I was reminded that He is my prophet and He is the one who teaches me the Word of God. I was reminded that He is the one who is my High Priest and intercedes with God the Father on my behalf. I was reminded that He is my Shepherd and that He leads me and causes me to rest.

Because our LORD is our shepherd we have everything we need. He brings to us His provision which is perfect, without end and lasts forever. As our Shepherd we depend on Him for His mercy, His grace, His power, His completeness and His sufficiency.

Let us remember that in our daily walk through this life that *"The LORD is my shepherd; I shall not want...."* Psalm 23.1. May we come boldly before the throne of grace and there we will receive all the mercy and help that we need.
