

On The Road To Emmaus

It is mid-August, still classified as summer but there are signs that times and seasons are changing. One very evident mark of change is that schools are getting ready to start and the merchants are changing out their merchandise to reflect the approaching change of seasons. However there are more subtle changes underway that demonstrate the upcoming change of seasons. The animals seem to be busier in preparing for a change. The days are getting shorter. The sun keeps coming up just a little bit later each day and starts to go down just a little bit earlier everyday.

In the midst of change, we must remember to pray. In Philippians 4:6 we find these words, *"do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God."* You see, prayer is never out of season. It is just as needed in the summer as it is in the winter. It is just as needed in the heat of summer and in the chill of winter. It is needed in the dark of night and in the bright noon day sun.

Remember prayer is never out of season. We can pray in every season and in every condition that we find ourselves in. Our covenant-keeping God welcomes our prayers and He will answer them from His holy place.

Today, regardless of where you are and what condition you are in, call out to your faithful and loving Father God. He is waiting to hear from you.
