

On The Road To Emmaus

We can become confused and questioning at times about prayer. Are we really heard when we pray? Are we in fact seen when we bow in prayer? How will God hear us when He is so far away? How does God understand us when there are so many people around the world praying at the same? After all, when too many people are talking at the same time we have a hard time understanding what people are saying.

Scripture tells us, *"The LORD is near to all who call on him, to all who call on him in truth. He fulfills the desire of those who fear him; he also hears their cry and saves them. The LORD preserves all who love him, ..."*(Ps 145:18-20 ESV).

The Scripture tells us that prayer is talking to Jesus and that Jesus hears us. We are able to weep at the feet of Jesus when we confess our sin through prayer to Him. We can lean on Jesus when we are tired or sad. We can tell Jesus what we are hoping for and what our needs are.

When we realize that this truth is expressed in the Bible, *"...behold, I am with you always, to the end of the age"* (Matt 28:20 ESV) is for us, then prayer life will be much more meaningful to us.

Have you taken to heart the value of prayer?
