

On The Road To Emmaus

As we walk on the road that God has given to us, it is easy to become anxious. The world around us can seem to be out of control. The people around us are not only out of control but also highly anxious. So we become anxious. We have taken our eyes off of Jesus and have focused on this world.

In our prayer life when we are anxious we must confess our sin to God. The sin of taking our eyes off Him and going our own way. Psalm 51:4 says: *"Against you, you only, have I sinned and done what is evil in your sight, so that you may be justified in your words and blameless in your judgment."*

In our prayer life we must not only confess our sin but also thank God that He is our protector. Isaiah 41.10 says: *"fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand."*

As we are walking on this road to Emmaus, have you remembered to confess your lack of trust in Jesus? Have you remembered to thank Him for his protection? Oh the daily journey on the road becomes so much easier when we trust fully Him and rest in His protection
