

On The Road To Emmaus

As we walk on this road that we are given it is easy sometimes to think that prayer has gone out of season. We can feel like not only has it gone out of season but that it is futile as well.

Let us realize that prayer is not like any of the temporal things of life. It does not melt and dissipate in the summer heat. It does not freeze up on us in the winter. It is not hidden in the shadows of the evening nor is it hidden in the darkness of the night. It is available to us no matter the time or day. It is available to us regardless of whatever condition we find ourselves in.

We need to remember that prayer is not futile. It is not powerless and pointless but rather it is powerful. In our prayers we will find the true power that is always available to us. We will not always get what we want but we will always have our real need met.

Remember what we are told: *"do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. 7 And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus."* **Philippians 4:6-7 (ESV)**

As we are walking together with Jesus on the road that He has given us, entreat Him for all that troubles your soul. Entreat Him to remove those things from your life that cause you to stumble and fall. He is with you. He will meet your real need.
