

On The Road To Emmaus

As we are walking on the road of life we often give the appearance of being self reliant and being able to handle things ourselves, however when we operate in this way our prayer life shrivels up.

If we want a prayer life that is deep, enriching and soul satisfying, we must have an awareness that our needs can only be met by the Lord. The Scriptures tells us;

"Incline your ear, O LORD, and answer me, for I am poor and needy." Psalm 86.1 (esv)

"Seek the LORD and his strength; seek his presence continually!" Psalm 105.4 (esv)

"She who is truly a widow, left all alone, has set her hope on God and continues in supplications and prayers night and day," 1 Timothy 5.5 (esv)

As we are walking on this road of life, do we have a deep sense within us that only God can meet our needs? It is only when we begin to realize that only God can meet our needs, that we will begin to live a life of true prayerfulness.
