

On The Road To Emmaus

We live in a time that has set us back on our heels and stressed us out. We have never lived through a pandemic before. We feel that everything is out of control. This invisible virus has taken away everything we were used too. It has changed our jobs, our family life and our church life. These changes in society have resulted in us becoming stressed, short tempered and losing our focus.

In this time of upheaval and uncertainty prayer becomes even more crucial in our daily lives. Not just any prayer but rather praying the Word of God back to Him. If you have never done this and are interested in trying praying God's Word back to Him, here is a starting point.

Tell God that you love Him *"I love you, O Lord, my strength." Psalm 18:1 (esv)*

Tell God that you love His house, *"O Lord, I love the habitation of your house and the place where your glory dwells." Psalm 26:8 (esv)*

Tell God that you love His Word, *"I hate and abhor falsehood, but I love your law." Psalm 119:163 (esv)*

"I delight to do your will, O my God; your law is within my heart." Psalm 40:8. (esv)

As we go through our daily journey in this life and we pray the Words of God back to Him, changes will come. These changes are not in our outward circumstances but rather in our hearts as we worship God in Spirit and Truth.
